

# Alcohol & Sexual Health

**1 in 5 young people said alcohol was the reason for their first sexual experience**

**With statistics such as this, it's vital we all know the facts around alcohol & sexual health!**

**Our brand new **FREE** 3 hour training course is available **NOW!****

## Course content includes:

- Facts/myths about alcohol
- The link between sexual health & alcohol, including Foetal Alcohol Syndrome (FAS)
- Latest statistics
- Top tips for staying safe

Either join us here at **alcohol services for the community (asc)** on Napier Road, Luton or we can come to you!
